Updated - December 22, 2010

### **Committees**

\*\* Interested in cave conservation? Volunteer for a CCV committee!  
We need immediate help on the following committees:

#### **Membership Committee**

Members                      Dan Fong, Chair (e-mail/phone #)  
                                      Judy Fisher  
                                      John Tichenor?

#### Objectives

- Develop an updated membership list.
- Remind members to renew annually.
- Launch membership drive/fund-raiser.

#### **Living on Karst Committee**

Members                      Chair, Open  
                                      Charlie Maus  
                                      Carol Zokaites

#### Objectives

- Get Living on Karst on the website in a form that can be updated one section at a time.
- Develop/print a 1-page fact sheet on CCV's activities that directs folks to the website for full Living on Karst document.
- Start revisions ASAP.

#### **Stewardship Committee**

Members                      Mike Ficco – Chairman  
                                      Charles Maus

#### Objectives

- Maintain and improve CCV's karst preserves
- Assist others in protecting, maintaining and improving significant karst features
- Maintain awareness for and propose possible CCV karst feature protection projects

## **Grants and Awards Committee**

Members      Walter Pirie - Chairman

### Objectives

- Review for completeness and make recommendations of grant applications
- Seek proposals to meet board objectives

## **Finance Committee**

Members      Jim Littlefield

### Objectives

- Work with staff on maintaining fund raising projects
- Identify possible ways to and make proposals to raise funds
- Working with the staff and contractors, maintain awareness of organization's funds accounts and make reports to the Board with recommendations
