

Grant Funds available

for Cave & Karst Projects in Virginia & West Virginia

Grants from **The Cave Conservancy of the Virginias** fund a variety of projects, including education and outreach endeavors, cave and sinkhole cleanups, purchase of significant properties for protection, original scientific or humanities research on cave and karst systems, among others.

Projects should promote or facilitate **conservation, management, knowledge or acquisition** of cave and karst resources in **Virginia & West Virginia**.

The amount of funding has ranged from a few hundred to tens of thousands of dollars.

Submission Deadlines:

Noon US Eastern Time on **January 15th** or **August 15th**.

Project leaders must submit their proposal through an appropriate organization (see proposal guidelines) as grants are not made to individuals.

Please carefully review the grant proposal guidelines, available on the CCV website, before preparing your proposal:
